To the patients of Health-Rite Pharmacy,

You, as our patient, friends, come first. Health-Rite Pharmacy depends on providing service to you under all circumstances. Our top priority is to ensure the health and safety of our employees and patients.

Our robust operations continue to operate daily, providing you the necessary means to ensure your pharmacy needs and independence that you have grown to expect is met.

We are employing extra precautionary measures to keep the pharmacy clean in our patient waiting areas and pharmacy dispensing areas which will slow down and hopefully prevent the spread of germs.
